On Call and Call Back are job codes that eligible State Classified employees can utilize either by creating entries in the electronic time sheet or by selecting the On Call and Call Back job codes when punching in.

Creating On Call and Call Back Shifts using the Electronic Time Sheet

- Click the Manage Time Sheet tab

- Create a shift by clicking the Add button in the appropriate day on the calendar

- Enter the correct start time and stop time – a start time and stop time are required

- Click the Job Code entry and select either “On Call” or “Call Back”
• Click Save and then click Accept in the upper right corner of the screen

Manage Time Sheet

05/28/2022 - 06/03/2022

Reject Accept

In the example below, the employee entered a Start Time of 8:00 AM and a Stop Time of 9:00 AM with the Call Back Job Code. Call Back segments will automatically translate to a minimum of two hours which is shown in the right corner of the date entry on the electronic time sheet and also next to the Notes heading.
To view the entry, you can click on the View Hours tab

One hour of Call Back was entered and the employee received the minimum of 2 hours of Call Back.
Creating On Call and Call Back Shifts Clocking In Clocking Out

- Enter your CSU ID number in the Badge Number field
- Click the Clock In button

![Image of Clocking In interface]
