Simple claims, no math required

Show Me the Math tool does it for you

You want claims to be easy to figure out. Our new online claims tool, “Show Me the Math,” breaks down complex math equations on your claims item by item. You can see what your benefits allow, what costs are paid by us and how we calculate what you pay for a specific claim. It’s super easy.

Here’s how to use Show Me the Math:

- Log in to anthem.com. This gives you access to our secure site. If you aren’t registered, select Register Now.
- Choose Claims, and select the claim number to view your claim.
- Choose Show Me the Math.

We do the math, so you don’t have to. Log in to anthem.com for clear answers and explanations on your claims.
