

Listing Your Home on CSU's Employee Housing Search

CSU Employee Housing Programs will list for rent all homes submitted by current CSU employees. Homes for rent submitted by private parties will be listed only if they are deemed appropriate in terms of size, location, and price. Please note that we will not post a listing if there is a fee.

To submit your home for consideration:

- Please [download](#) and complete the listing form; be sure to note your preferred contact information (email and/or phone) and then send the completed form as an email attachment to HR_EmployeeHousingPrograms@mail.colostate.edu. You may include up to four photos on the form -- at least one photo is required.
- All photos must be sized so that your finished document is a **one page** Word document with a file size no larger than **1 MB**.
- While we are unable to assist with this process, please [click here](#) for information on inserting and resizing photos.
- If your home is accepted for the program:
 - It may take up to one week for your listing to be posted.
 - It will be listed on this web site for three (3) months, or until we are notified that the property is rented. Extensions will be considered on a case-by-case basis.
 - Interested parties will contact you directly for further information and viewings.
 - CSU Employee Housing Programs and the Employee Housing Programs Coordinator will not represent either party and is not legally responsible for any transactions between the parties.
